

Cook with assistance on the ranch in Canada

From May for a period of 5 – 6 months

Ref. 2493

Company & Job Details:

The resort is located in the middle of one of the largest provincial parks in British Columbia, Canada and is surrounded by pure nature. They specialize in tourism and offer log cabins, a campground and a western saloon/restaurant as well as horseback riding and canoe tours.

The job offer:

The company's kitchen offers a set dinner daily in its Western Saloon and advance reservations are required. Dinner is served at 7:00 pm each day, so cooking attendance times are also minimal. This is exactly why they are looking for you to be their next summer season "cook with assistance at the ranch". If you are interested in working in their simple kitchen and would also like to mow the lawn or help with other ranch work, please apply for this position.

Requirements:

- Age 18 +
- English language skills
- Driving license for car (B)
- Interest in cooking and agriculture
- Experience in the kitchen area
- Work independently and help on the ranch
- No work experience in agriculture necessary

What is offered:

- They offer free room & board, salary, and a family-like, humorous environment
- Valuable life experience
