

Mechanic in Canada

12 months

Ref. 3182

Company & Job Details:

The company is looking for a skilled mechanic for their 26 forest machines. The mechanic team consists of two full time mechanics and one apprentice. They work in and around Prince George, BC. All of the machines are repaired out in the forest, so a valid driver's license is a must. The mechanic will go out to the machines with one of their service trucks which have all tools included. They would prefer an employment with a minimum of one year, but shorter periods are also possible.

The job offer:

- Driving into the woods with the field team using a provided service truck and repair machines with the provided tools
- Working outdoors and be weatherproof, as temperatures in Canada range from +30 to -20 degrees
- The available companies are mostly located in the West of Canada, in the states of British Columbia, where the biggest ski resorts and tourist attractions are located

Requirements:

- Age 18-35
- Good English language skills
- Driving license for car (B)
- You need either an apprenticeship as an agricultural **or** construction machinery mechanic or an apprenticeship as a forester with machine knowledge or two years of experience in one of the mentioned professions

What is offered:

- Family atmosphere
