

Log Home Builders and Carpenters in Canada

Immediately for a period of 12 – 18 months

Ref. 3189

Company & Job Details:

The company is looking for detail orientated Log Home Builders, Carpenters, and Apprentices for full-time work in the Cariboo Central Interior. Successful applicants will have knowledge of general carpentry (tools, materials, and equipment), demonstrate safe work habits, and possess a cooperative positive attitude.

The job offer:

Your duties will include assisting with all work such as:

- Peeling, slicking, yard clean up, and other tasks as required
- Timber framing
- Joinery – including measuring, laying out timbers and logs, cutting, shaping, insulating, and assembling
- Building stair systems, roof systems, and other decorative features
- Safe operation of chainsaw, power tools, timber shed machinery, and hand tools

Requirements:

- Experience in carpentry or construction industry preferred
- Own tools and safety gear are required (bucking pants, CSA steel toe boots, hard hat)
- Must have own transportation; work sites are located outside of town
- Job is physically demanding
- English knowledge

What is offered:

They offer year-round employment, hours to finish your apprenticeship, and the opportunity to learn the art of log home building from Master Craftsmen.
