

Carpenter in Canada

Immediately for a period of 12 – 18 months

Ref. 3190

Company & Job Details:

This is a growing residential renovation company in the small mountain town of Revelstoke BC. The town is home to a world-class ski area and offers great mountain biking and trail running opportunities in the summer. With the trend of living in smaller communities in recent years, Revelstoke is booming and offers endless opportunities in the construction industry.

The job offers:

You will often be working with a team of 3 or 4 others, but you must also be able to work on your own. The applicant must be detail oriented, friendly with clients, hardworking, and have a positive attitude. No smoking or loud swearing on site. You need to fit the professional vibe they are trying to build as a company. Daily tasks will vary greatly being a small renovation company. You must be comfortable doing concrete work, framing, siding, and finishing. Our projects range from decks and fences to full house renovations, inside and out. Please state the specific areas of carpentry you have experience with on your resume.

Requirements:

They are looking for an applicant with a minimum of 3 years' experience working as a carpenter. Experience in renovations is an asset.

What is offered:

- Fair and competitive compensation depending on experience
- Varied and interesting projects in BC and beyond with a positive team
- Be a valued member of a growing company and get what you put into it
