

Carpenter in Canada

12 months

Ref. 3193

Company & Job Details:

The company is a design and build firm located in beautiful British Columbia. A team of creative, dedicated professionals is looking for carpenters to join. Become part of a group that builds inspiring structures in British Columbia and beyond.

The job offer:

The employer focuses on timber frame construction, prefabricated / panelized systems and whole building performance. You would be a part of the team consisting of professionals dedicated to quality construction and work/life balance. The successful candidate will have the opportunity to grow with the company and knowledgeable, leadership in a dynamic and diverse company. As their customer base continues to grow, they welcome the right team members to grow with them.

Requirements:

- Carpenter/Carpenter certification and at least 2 years of related work experience.
- Willingness to learn a whole new set of skills
- Ability to lay out and cut wood members for wall and roof framing
- Understanding of prefabrication of building components
- An understanding of general carpentry and construction skills
- A strong work ethic, punctuality, and a positive attitude
- Skill in the use of hand and power tools
- Strong communication skills with teammates and management
- A valid driver's license
- Willingness to travel
(Company is committed to working on-site, but some travel will be required)
- Knowledge of the English language is mandatory

What is offered:

- Fair and competitive compensation depending on experience
- Benefits after completion of a 6-month probationary period
- Opportunity to learn new systems with support from team members and managers
- Varied and interesting projects in BC and beyond with a positive team
- Be a valued member of a growing company and get what you put in.
