

Cabinet Maker in Canada

Immediately for a period of 12 – 18 months

Ref. 3199

Company & Job Details:

For 25 years the company is a European managed business that specializes in several aspects of residential and commercial millwork, offering clients personalized service and custom-built cabinetry. They are located in Courtenay, British Columbia, on the west coast of Vancouver Island. Courtenay is a quaint town and offers convenient access to an abundance of wildlife and outdoor exploration.

The job offer:

Currently, they are looking for a full-time (40 hours/week) Cabinet Maker to join their team. They are a small company with attention to detail and quality process. They focus on high quality, custom products for residential and commercial buildings.

Requirements:

- Completed apprenticeship as a Cabinet Maker, with minimum 2 years' experience
- Ability to work independently building / installing cabinets and in a team environment
- Must have a valid driver's license, professional appearance and approach
- Basic knowledge of the English Language
- Must be eligible for an International Experience Canada Young Professionals work permit

What is offered:

- Small company environment with attention to detail and quality building procedures
- Fair and competitive compensation depending on experience
- Opportunity to learn new systems with support from team members and managers
- Varied and interesting projects and beyond with a positive team
- Be a valued member of a growing company and get what you put in.
