

Trainee for a grain farm in Canada

April – November or August – November

Ref. 6775

Company & Job Details:

Join our dynamic 5,000-hectare farm and experience modern agriculture at its best. We operate with a high level of mechanization in arable farming, working with top equipment including tractors, combine harvesters, trucks, quads etc., offering you the chance to gain hands-on experience with professional machinery.

You'll become part of a friendly and dedicated team consisting of three family members and 5–6 additional employees, where teamwork and a positive atmosphere truly matter.

Accommodation is provided in a comfortable camp shack with your own private room and adjoining building, including your own bathroom and shower. Meals are provided on working days, so you can focus fully on your work and enjoying farm life.

Requirements:

- Age 18-35
- English language skills
- Driving license for car (B)
- You need either an education in one of the following professions: farmer, agricultural machinery mechanic, construction machinery mechanic, truck mechanic or two years of experience in one of the mentioned professions or you have grown up on a farm

What is offered:

- Own house on the farm
- Family atmosphere
- Vehicle
