

trainee in Ontario, Canada

From mid-April for a period of at least 6 months until max. ca. mid-October

Company & Job Details:

Our farm is located a half hour east of Ottawa, Ontario.

Our main operation is dairy farming with rearing.

We milk 110 cows (breed, Ayrshire) in a tie stall barn and the young stock are in a free stall barn.

The feeding consists of grass silage, corn silage, corn meal(wet), barley, soya, and hay.

Mineral and protein supplements are purchased.

We work 180 hectares of land, for which we have the necessary and modern machinery.

The job offer:

Your duties will include working in the barn and caring for and feeding the cows.

The tasks range from working with cows to working in the field. The work depends on your skills and experience.

Requirements:

- Age 18-30
- English language skills
- Driving license for car (B)
- Preferably an education in agriculture or enough experience in agriculture

What is offered:

- Fair and competitive compensation depending on experience
- Varied and interesting projects and moreover with a positive team
