

Butcher in Canada

Immediately for a period of 12 - 18 months

Company & Job Details:

We are a butcher shop, a gourmet food producer, and a catering service in Alberta. Our charming small town is in the heart of the Canadian Rocky Mountains; only an hour drive away from Calgary, and 20 minutes from the tourist destination Banff.

The beautiful surroundings are perfect for hiking, camping, biking, climbing, canoeing, and skiing.

The job offer:

You would be a part of the team consisting of professionals responsible for preparation of meat components for further processing, quality control of raw materials and ingredients used and production of sausages according to recipes and process specifications.

Requirements:

- Successfully accomplished apprenticeship in Butchery
- 1-2 years of experience in sausage making is an asset
- 19-35 years old
- Knowledge of the English language

What is offered:

Free accommodation with other young house mates, a short English course, a great working climate, competitive wages, free breakfast and hot lunch, and a unique opportunity to learn English and experience another part of the world.
