

Cook with assistance on the ranch in Canada

From May for a period of 5 - 6 months

Company & Job Details:

Our resort is located in the middle of one of the largest provincial parks in British Columbia, Canada, and is surrounded by pure nature. We specialize in tourism and offer log cabins, a campground and a western saloon/restaurant as well as horseback riding and canoe tours.

The job offer:

The company's kitchen offers a set dinner daily in its Western Saloon and advance reservations are required. Dinner is served at 7:00 pm each day, so cooking attendance times are also minimal. This is exactly why we are looking for YOU to be our next summer season "cook with assistance at the ranch". If you are interested in working in our simple kitchen and would also like to mow the lawn or help with other ranch work, please write to us.

Requirements:

- Age 18 +
- English language skills
- Driving license for car (B)
- Interest in cooking and agriculture
- experience in the kitchen area
- used to work independently and you would like to help on a ranch
- No work experience in agriculture necessary

What is offered:

- We offer free room & board, salary, and a family-like, humorous environment.
- valuable life experience

Please send applications directly to: info@studyworktravel.ch
