

Wrangler/Ranch Assistance in Canada

From May for a duration of 5 - 6 months

Company & Job Details:

Our resort is located in the middle of one of the largest provincial parks in British Columbia, Canada, and is surrounded by pure nature. We specialize in tourism and offer log cabins, a campground, and a western saloon/restaurant as well as horseback riding and canoe tours.

The job offer:

You love nature, have years of good riding experience, a lot of pleasure with horses and other farm animals and are also sometimes willing to clean or help in the restaurant? Then we may be able to offer you just the right thing. The farm is still looking for a wrangler (horse guide) with additional duties.

Requirements:

- good riding experience, a lot of pleasure with horses and other farm animals
- you are independent, able to multitask, self-motivated, flexible, and like to give 110%
- English language skills are required
- you have bionic strength and endurance to do physical labor, stand/walk for long periods of time, and can lift 50 pounds

What is offered:

- we offer a salary, room and board and a great time!
- valuable life experience
