

Carpenter in Canada

Immediately for a period of 12 – 18 months

Company & Job Details:

We are a growing company specializing in traditional timber frame with prefabricated panelized construction. We are looking for carpenters who would like to enjoy a 1 ½ year experience in Canada, especially those with a dream of moving to Canada long-term (Permanent Residency).

The job offer:

The employer focuses on prefabricated timber frame construction. You would be a part of the team consisting of professionals dedicated to quality construction and work/life balance. The successful candidate will have the opportunity to grow with the company and knowledgeable, leadership in a dynamic and diverse company.

Requirements:

- Carpenter/Carpenter Certification
- experience with prefabricated wall
- experience with timber frame
- Willingness to learn a whole new set of skills
- Understanding of prefabrication of building components
- Understanding of general carpentry and construction skills
- A valid driver's license
- Knowledge of the English language

What is offered:

- Fair and competitive compensation depending on experience
- Opportunity to learn new systems with support from team members and managers
- Varied and interesting projects and beyond with a positive team
- Be a valued member of a growing company and get what you put in.
